

## Changes required to new website “ACCORDION BAY”.

### Home Page.

**Retain Accordion Bay Logo** from previous website.

**Add a seperate Testimonial Tab** or tab it as Testimonials/Customer Info.

**New Photograph** behind “I welcome you to Accordion Bay” The photograph shown is of an old accordion.

**My photograph** is the wrong way round I will produce a new one.

**Remove Celtic Chords shopfront.** I tried in admin it removed from admin page but not off the website?

Can the accordions at the bottom of page be **slowed down**?

When clicking on **“You may want to consider Accordion Hire service”** it goes to Testimonials.

### About Us Page

**Piano Accordion Hire link** goes to Testimonials

### Contact Us Page

Can the email address be changed to: [accordionbay@fastmail.net](mailto:accordionbay@fastmail.net)

Can you remove the **Comma** before address postcode
